## SIXXA SELECTION ...

Every season is another exciting period for a local brand like us. Deadlines, trends, weather and a lot more make it hard to come up with a complete catalog. On the following pages we tried to picture some **SELECTED PIECES OF OUR 2010 LINE** ... there's a lot more happening than that, but we had to limit ourselves to these 16 pages ;)

Thanks to our incredible team, we usually manage to deliver our apparel 100% the way we want it to be. And we're stoked to get more and more **SUPPORT BY STRONG GIRLS** ... artists, athletes or the everyday cat out there, all with a unique character and sharing that certain attitude.

The amazing pictures by **PETRA MOSER** - featuring **ZINA MURES** und **SHARON DEDROOG** - show that all our apparel is made for everyday use: move and feel comfortable.
